LE JOUR

Give Light To Your Life

About Us

In the hope of fulfilling the journey of Seif that lived on since 1977, Le Jour continues to pursue a passion for antiques and home decor. Having its own factory which specializes in antiques, lighting appliances and home decor, Le Jour continues to develop in order to produce items that are carefully crafted to produce masterpieces. With dedication and commitment we hand-design all our in-store items with exquisite details in various styles and tastes. Our factory remains to be the top in designing high quality detailed pieces of chandeliers and antiques.

Our work doesn't revolve around home decor only, we also deal with hotels, companies and wedding venues. From steel to contemporary chandeliers, there's definitely something that suits every taste at Le Jour.

Every piece is hand-made under the provision of excellent Egyptian craftsmen. Le Jour's craftsmanship is specially detailed making every piece outstanding on its own.

Mission

We guarantee you the longevity of luxurious pieces with timeless designs to make your home dreamlike.

Vision

Keeping up to the high standards of Le Jour fine pieces and becoming one of the top chandelier exporters in the Middle East.
